Re: **Donald C. Spencer, Santa Rosa Clerk of Court and Comptroller Announces That A New Kiosk in Administration Building Now Accepting Traffic Ticket Payments and Child Support Payments**

Donald C. Spencer, Santa Rosa County Clerk of the Circuit Court and Comptroller, announces that a new kiosk located at the County Administration Building now accepts traffic ticket payments and child support payments. The new kiosk is located across the hall from the Tax Collector's Office at 6495 Caroline Street in Milton. The kiosk accepts cash and credit card payments. Clerk Spencer says "With the addition of the new kiosk, customers will no longer have to drive from the administration building to the courthouse to clear up any unpaid traffic fines that may be impeding their ability to get their license renewed. They can walk across the hall and make their cash or credit card payment. The receipt will confirm to the Tax Collector's Office that the appropriate payment has been made."

If you have questions concerning paying your traffic ticket or child support payment through the new kiosk system, please contact the Clerk's Office at (850) 981-5554.
