Re: **Santa Rosa Clerk of Court and Comptroller's Office
Announces Western Union Accepting Child
Support Payments**

Donald C. Spencer, Santa Rosa County Clerk of the Circuit Court and Comptroller, announces that Western Union has recently unveiled the return of its Child Support Payment Services for the state of Florida for cash-only payments. This is a convenient service that can be used at more than 2,400 outlets throughout the state and 37,000 outlets nationwide. It is also helpful for individuals who can only make payments in cash. Clerk Spencer says "With this added convenience for our customers, they will no longer have to mail a check or money order to the State of Florida. They can stop by any Western Union at any time they are open and make their cash payment."

The process is simple. Participants will need to provide their County number, 11-digit case number and the custodial parent's last name. Each transaction will incur a \$3 Western Union Service Fee. There is a \$5,000 limit on transfers. With thousands of registered Western Union agents throughout the state, this payment service method is a convenient process. Participating vendors include Winn Dixie, SunTrust Bank, Regions Bank, The Check Cashing Store, Kmart, and Synovus Bank.

If you have questions concerning paying your Child Support payment through Western Union, please contact the Clerk's Office at (850) 981-5554.
