You have requested that your traffic/misdemeanor fine be worked off by doing community service work. Judge Nichols/Boles has approved your working off your fine of \$\_\_\_\_\_ within \_\_\_\_\_ days.

You are directed to COMMUNITY SERVICE DEPARTMENT of Court Services located at: 808 Caroline Street SE , Suite # 8, Milton, Florida. You will be required at that time to pay at \$50.00 intake fee for the program. You will be instructed when and where to do your community service work.

Upon completion of doing the number of community service hours required, you will bring your completed "Time sheet" back to the community service department to be signed. You will then personally bring this slip back to the clerk's Office to get credit applied to your fine(s).
